Adapta

Versatile Seating for Inspired Learning.

Designed with versatility in mind, the Adapta chair offers a space-efficient solution ideal for the educational sector.

Its design focuses on adaptability and comfort, featuring a flexible, perforated backrest and a mechanism that adjusts tilt tension to your weight, ensuring personalised support. The chair's ease of mobility is enhanced by castors on each leg, and its folding seat allows for efficient nesting and storage, making it perfect for classrooms where space is at a premium. With options for a black powder coat or chrome finish and the addition of a removable tablet arm, the Adapta chair is a practical, versatile seating choice for any educational setting.

Features

Versatile Design:
Ideal for education settings, collaborative workspaces, and conference rooms, adapting easily to various needs.

Smooth Mobility:
Equipped with Castors for easy movement, perfect for dynamic classroom or training setups.

Ergonomic Comfort:
Perforated backrest with a full 15° back recline and high-resistance moulded foam seat offer support for maximum comfort during long conferences.

Durable Frame Options:
Black or chrome frame; removable arms, A3 tablet arm, and optional underseat basket.

Space-Saving Nesting:
Fold-up seat for easy storage.

Logic

Smart Seating for Learning Success.

Finally, a great looking conference & training chair that is robust, comfortable and offers a wide variety of practical features.

The Logic training chair is ideal for training rooms, conferences, education facilities and healthcare centres.

With a reclining, breathable mesh backrest and 60mm heavy-duty castors, the Logic chair can be upgraded to feature flip- up arms and an A4 fold-away table for your tablet to assist with note taking; this is a perfect choice for learning applications. And did you notice it nests and stacks to save space? That makes it an ideal choice for any high grade, mass seating situations from education to conferences to waiting areas.

Features

15° Recline Pivot Back:
Ergonomic support with mesh back.

Smooth Mobility:
60mm Castors for easy movement

Stackable Feature:
Uniquely designed to be stackable, a rare quality in training chairs, making it ideal for flexible use in multi-purpose spaces.

Optional Features:
Available with flip-up arms and an A4 fold-away tablet for additional functionality.

Space-Saving Design:
Flip-up seat allows nesting, conserving up to 75% storage.

Mode

The Traditional Executive

The Mode chair combines timeless design with ergonomic functionality, making it a sophisticated choice for executive and boardroom settings. Featuring a polished stainless-steel tubular frame and individually upholstered cushions, it delivers classic style and enduring quality.

The synchronised tilting mechanism supports proper posture, while safety-focused tension control adjusts smoothly to user weight, starting from a stable recline. Premium padding on the seat and back provides plush comfort for extended use.

Greenguard accredited, with a 140kg weight rating and backed by a 10-year warranty, the Mode chair is a premium solution for refined workspaces.

Motion Sync

Ultimate Comfort.

The Motion Sync Chair combines exceptional comfort with innovative functionality, making it ideal for modern office environments. Its premium operator design features a wider seat and backrest for added comfort, while the multiple fulcrum synchro-tilt mechanism ensures smooth, synchronized movement with adaptable tension.
Weight-sensitive adjustments provide natural support, and an adjustable seat slide promotes healthy circulation.

Designed for easy maintenance, the chair includes removable lumbar support and seat covers.
Upholstered in high-density foam with Sunday or Motion Felt fabrics, the Motion Sync delivers ergonomic excellence and sleek style in one versatile solution.

Features

Premium Operator Design:
Wider seat and backrest enhance comfort and accommodate a diverse range of users, making it a top choice for varied office environments.

Multiple Fulcrum Synchro-Tilt:
Features a 1:2 seat-to-back tilt ratio with multiple fulcrum points for smooth, synchronized movement and adaptable tension adjustment.

User-Friendly Maintenance:
Designed for easy assembly, with removable lumbar support and seat covers for hassle-free user installation and upkeep.

Seat Slide:
Adjustable seat slide enhances leg positioning and circulation.

Weight-Sensitive Tension:
Adjusts to user weight, providing natural support.

Scroll

The Trend Setter.

Whether in the office, meeting room, or executive space, Total Fitouts' versatile Scroll chair is engineered for both comfort and a luxury aesthetic. A single piece of high-performance mesh forms the seat and backrest, while a polished alloy base provides both stability and that classic, minimalist look.

Exceptional comfort and adjustable features are the hallmark of the Scroll, with a simple lockable tilting function, wire control for height adjustment, tension adjustment for reclining, and contoured removable armrests.

Features

Modern Aesthetic:
Sleek, one-piece mesh design with minimalist, high-end look that complements any workspace.

Refined Comfort:
Contoured back and seat to provide a visually lightweight, supportive feel, suitable for executive, conference, and boardroom areas.

Customisable Style:
Available with Alloy or Nylon base options and in Grey or Black mesh.

Focused Simplicity:
Offers essential functionality with a tension adjustable tilt and height settings.

Urban Mesh

Seating Comfort, Built to Last.

The Urban Mesh chair is engineered for durability and adaptability, perfectly suited for high-usage environments.

It features three adjustable levers, allowing users to fine-tune seat height, tilt, and backrest recline to fit their body's needs. The chair is designed with a mesh backrest for breathability and a high-resistance molded foam cushion for support. Notably, it offers customisation through reupholstering in any fabric choice, alongside our standard breathable MotionFelt or black Breathe fabric options.

Optional upgrades include armrests, a gas lift, and a chrome foot ring, enhancing the Urban Mesh's functionality and comfort for any workplace setting.

Urban Mesh

Product Range

Features

Trusted Performance:
AFRDI Level 6 certified, meeting the highest standards of durability and quality for operator chairs.

All-Day Comfort:
Extra-thick foam seat offers comfortable support for 24-hour usage, perfect for busy offices.

User-Friendly Assembly:
No-bolt design for quick setup and easy maintenance.

3-Lever Ergonomic Adjustability:
Three levers offer precise control over seat height, back angle, and seat tilt, allowing users to find their ideal ergonomic position.

Modern Operator Design:
Narrow mesh back promotes airflow and arm movement.

Certifications:
Our Urban Mesh Chair comes with an AFRDI Certification.
