RHODES

Modular Shelving

10 YEARS WARRANTY

Innovative storage
for a fluid workspace.

Designed for effortless assembly and limitless reconfiguration, Rhodes empowers you to create dynamic, functional zones with a light-filled, open feel.

Integrate natural elements seamlessly and transition between spaces with ease.

Considered design
for connected spaces.

Rhodes Modular Shelving is a flexible storage system. It's made up of frames, shelves, cabinets and planters that can be configured to suit a wide range of workplace needs – from simple bookshelves to full-height room dividers.

Rhodes is designed to help you organise, divide and define space – without the need for permanent walls. Whether you need to create a quiet zone, a collaborative nook, or just keep your storage neat and accessible, Rhodes brings function and form together in a single system.

Available in a variety of widths, heights and finishes, each piece fits seamlessly with the next – making it easy to maintain a cohesive look across open-plan offices, meeting rooms, and breakout areas.

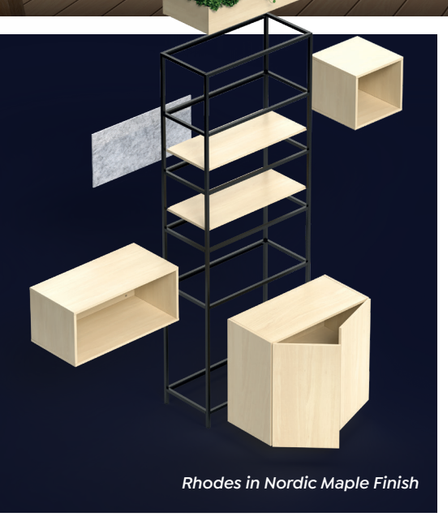

From a single unit to a statement-length shelving wall, Rhodes makes it easy to plan your space with confidence – and install it with ease.

Designed to Fit In

Rhodes Modular Shelving is made for movement—adapting to the needs of open-plan spaces with minimal fuss and maximum style.

Whether you're zoning, storing or adding some greenery, Rhodes brings versatility and visual impact in equal measure. Built with premium finishes and made for tool-free assembly, it's modular shelving that works just as hard as your team.

Key Features

- Define zones while keeping the open-plan feel
- Fully customisable layouts at time of order
- Matching components including shelving, cupboards, planters and tambours
- Modern design that elevates function and aesthetics
- Ideal for meeting rooms, collaborative zones, quiet spaces and executive offices
- Soft-close cupboards, powdercoated steel frame, and premium melamine shelving
- Available in New Oak Ravine and Nordic Maple
- 10 Year Warranty

How to configure.

Step 1 – Choose your frame height

Select from four heights: 1234mm, 1617mm, 2000mm, or 2383mm.
Each frame is 840mm wide and 400mm deep.

1234mm

1617mm

2000mm

2383mm

Step 2 – Choose your width

Configure your layout by adding frames side by side. Start wtih a single bay or scale up to suit your space, add 820mm for each additional bay. Each frame includes standard shelving.

Single-Bay

Double-Bay

Multiple-Bays - inquire for more info

Step 3 – Select your components

Customise with cubbies (small or large), cabinets (small or base), and planters* (inset, top shelf small, or top shelf large).

A Base Cabinet

B Small Cabinet

C Top Shelf Planter Small*

D Top Shelf Planter Large*

E Large Cubby

F Small Cubby

G Inset Shelf Planter*

H AcoustIQ

Available Colours

Frame

B Black Powdercoat

Melamine Finish

NO New Oak Ravine

M Nordic Maple

**Planters do not include plants.*
For the full range of AcoustiQ Colours please see page 11.
For safety, we recommend securing the unit to a wall or ceiling using angle brackets.

Sample Configurations.
